Sectioning Information for Mathematics, Germanic Languages, and Romance Languages is on the following page.
Sectioning Information

Mathematics

To enroll in Math Mb, 1b, 21a, or 21b, you must section by computer during the period starting Monday, January 25th, and no later than 12 pm on Thursday, January 27th. Note that you can re-section as often as you like during this time and your previous entry will be erased.

Directions for sectioning by computer:

If you have an email account, log onto the Harvard computer system, and instead of typing "pine," type "ssh section@ulam.fas.harvard.edu" and follow the instructions there.

Windows: From a Windows computer, open the SecureCRT application. Use the "Quickconnect" menu command to open a connection with protocol: ssh2, hostname: ulam.fas.harvard.edu, and username: section.

Macintosh OS X: From a Macintosh with OS X, start the "Terminal" application, located under Applications Utilities. At the prompt, type "ssh section@ulam.fas.harvard.edu" and hit return.

Linux or Unix: Using any Linux or Unix computer, login into your FAS account. At the shell prompt, type "ssh section@ulam.fas.harvard.edu" and type return.

Required 1st Meetings:

Math 1b will meet on Monday, January 25th, Science Center D, 8:30 am.
Math 21a will meet on Monday, January 25th, Science Center C, at 8:30 am.
Math 21b will meet on Monday, January 25th, Science Center B, at 8:30 am.

Non-sectioned courses 1a, 19, 20, 23, 25 begin Monday, January 25th.

Sections in Mb, 1b, 21a, and 21b begin Monday, February 1st.

Sectioning information can be found at www.math.harvard.edu/sectioning.

Germanic Languages

There is no sectioning of Germanic Language courses for the spring term.

Romance Languages: - French, Italian, Portuguese, and Spanish

To choose a section for a lettered or numbered language course (numbers 60 and below) in French, Italian, Portuguese, and Spanish, students should fill out an online sectioning form on the respective course web pages. Once students have filled out and submitted the form, they will receive notification of the date, time, and location of the first class meeting by email.
